POLARPLAS® a leading global plastic converting and moulding company, with a state-of-the-art manufacturing facility in rotational and injection moulding based out of Gujarat, India. The parent company established in 1996 as a green field project from Iceland went through different transformation and structural changes in its 25 years of existing, and now reincarnated to **POLARPLAS®**

POLARPLAS® manufacture wide range of rotational moulded proprietary products in double and single wall, used for in-house processing, preserving, storage, transportation, and cold chain application. The double wall products are insulated with PUR or PE foaming to maintain the best isothermal properties. **POLARPLAS®** are also into rotational moulded pallets, active and passive plastic body refrigeration freezers and chillers, custom moulded products and injection moulded industrial crates.

POLARPLAS® has the best in the knowledge for the product design, innovation, productivity, and quality performances at the customer place and beyond. More details on the product, service, and offerings, please visit www.polarplas.com

Ventilated Top With Upper Edge

Euro Entry With Wide Opening

Extra Middle Leg For Strength

Steel+PUF For Strength

4 Side Forklift Entry

Application

Process & Material

- Rotational Moulded Pallet
- Certified Food Grade Raw Material
- Easy To Clean and Non-Porous Structure
- High Resistant to Migration
- Durable and Longer Life

Strength

- Heavy Duty and Extremely Sturdy Design
- PUR + Steel Reinforcement

Operating Temperature

- +60 to - 40 Degree

Testing

- Pallet Has Been Tested Based On Relevant Parts of IS 6219

Personalize Option

- Personalized Logo Possible For Bulk Order
- Colour Options Available
- Foaming :- PE and PUR
- Skin Material :- HDPE and LLDPE
